

Product Information

Solopol® Classic

Traditional hand cleanser with time-proven cleaning system for heavy-duty skin cleansing.

DESCRIPTION

Solopol® Classic is a traditional, solvent-free, pH skin neutral hand cleanser containing scrubbing agent. It features a powerful cleansing action coupled with very good skin compatibility. Solopol® Classic contains a skin protectant and re-fattening agent.

AREA OF APPLICATION

For heavy-duty contamination, for instance from mineral and lubrication oils, graphite, metallic dust and carbon black.

EU ECOLABEL

Within the cosmetics industry the EU Ecolabel guarantees highest environmental standards. Specific test criteria are used to analyse the impact of the product throughout its life-cycle, starting from raw material extraction, through to manufacturing, distribution and disposal.

PRODUCT DESCRIPTION

Beige, colourant-free, perfumed, viscous suspension with natural scrubbing agent Astopon®.

Features	Benefits
awarded the European Ecolabel	<ul style="list-style-type: none"> • does not pollute the environment
with re-fattening emollient	<ul style="list-style-type: none"> • pleasant skin feel
contains Aloe Vera	<ul style="list-style-type: none"> • extract of plant with special caring characteristics
contains skin protectant Eucornol®	<ul style="list-style-type: none"> • demonstrably suppresses the occurrence of skin irritations
with Astopon® (refined walnut shell powder)	<ul style="list-style-type: none"> • very fine particle size that is gentle on skin • biodegradable formulation suitable for wastewater treatments • produced from a natural and renewable resource • easily rinsed away, preventing blocked drains and pipes
non-soapy	<ul style="list-style-type: none"> • helps to stop the skin swelling
skin neutral pH	<ul style="list-style-type: none"> • matched to the pH value of human skin • helps to maintain the natural acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection
dermatologically tested	<ul style="list-style-type: none"> • very good skin compatibility • minimises the risk of skin irritations
